## 2019 MILESTONES

### SUCCESSFUL SUVs

Last year, ŠKODA AUTO delivered the largest number of SUVs in its history. The KODIAQ, KAROQ and KAMIQ have been so successful that almost one in every three ŠKODAs sold was an SUV. In the coming months, the Czech carmaker will present a fourth model: its first fully electric SUV.

### ŠKODA TAKES OVER ACTIVITIES IN INDIA

Volkswagen Group India consolidated into a new entity in 2019: ŠKODA AUTO Volkswagen India Private Limited. The integration will make more efficient use of the existing synergies in this important growth market. In February 2020, ŠKODA AUTO will present its concept study of a compact SUV developed specifically for India.

### ŠKODA iV

ŠKODA AUTO has grouped electric vehicles and a holistically networked ecosystem under the new iV sub-brand. The fully electric CITIGO<sup>e</sup> iV and the SUPERB iV plug-in hybrid have become the first two electrified series models in the company's history.

### 22 MILLION ŠKODA CARS

ŠKODA AUTO produced its 22 millionth car. The milestone vehicle, a ŠKODA KODIAQ GT in Velvet Red, rolled off the production line at the SAIC VOLKSWAGEN plant in the city of Changsha. At present, ŠKODA AUTO manufactures at a total of 16 sites in nine countries.
