## Rally Hustopeče: Jan Kopecký after home win number three in the ŠKODA Fabia R5

- › Two wins from two starts so far in the Czech Rally Championship
- › Michal Hrabánek: "Our aim is to follow on from good results so far"
- › New ŠKODA Fabia R5 proves to be both fast and reliable

**Mladá Boleslav, 16 June 2015 – Third outing for the new ŠKODA Fabia R5 on home soil: ŠKODA works driver Jan Kopecký (CZ) is aiming to continue his winning streak at the Rally Hustopeče (19/20 June). On the back of taking third place at the FIA World Championship races in Sardinia, the 33-year old is heading to the third round of this year's Czech Rally Championship (MČR). The first two MČR races in Klatovy and Český Krumlov were both won by Kopecký and his co-driver Pavel Dresler (CZ) in the Fabia R5.**

Although the 2015 rally season is still in its early stages, the new ŠKODA Fabia R5 has already proven to be both fast and reliable, with two wins in the MČR and three podiums in the FIA World Rally Championship (WRC 2 class) currently to its name. ŠKODA Motorsport Director Michal Hrabánek: "Our aim in Hustopeče is to follow on from the good results we have achieved so far. The rally will obviously also help us to find out more about how the Fabia R5 behaves in demanding race conditions."

Jan Kopecký and the Fabia R5 were both in excellent form on their victorious outing at the Rally Český Krumlov. A breath-taking finale saw Jan Kopecký pull ahead of his rival Václav Pech (CZ) shortly before the end of the race. The Rally Hustopeče could see a repeat of the thrilling duel between the two Czech rally legends. "I hope we are able to put on another good show for the fans with a real battle and, of course, our ŠKODA Fabia R5," said Jan Kopecký. "Pavel and I want to show what we are capable of again. The Rally Hustopeče has been a happy stomping ground for us."

Kopecký/Dresler won the rally three times in a row between 2011 and 2013, making them the record winners of the event in the wine-growing district in southern Moravia. This year, the competitors face 150.02 kilometres on narrow and often slippery roads. They must negotiate ten special stages in total, two of which are held in the dark. The winner will be crowned early on Saturday afternoon.

## ŠKODA Motorsport Overview

ŠKODA has been involved in the world of motorsport since 1901. The brand has taken home many trophies from the Intercontinental Rally Challenge (IRC), FIA European Rally Championship (ERC), FIA Asia-Pacific Rally Championship (APRC) and several famous races, such as the oldest rally in the world – the Monte Carlo, which has taken place annually since 1911.

The Fabia Super 2000 rally car is the most successful model in ŠKODA's 114-year history in motorsport. In 2014, ŠKODA won a hat-trick of titles in the Manufacturers' and Drivers' competitions in the APRC. The new reigning champions Jan Kopecký/Pavel Dresler (CZ/CZ) achieved the momentous feat of becoming the first duo in history to win the Drivers' title in the ERC and then the APRC in consecutive years.

In the ERC, ŠKODA Motorsport took the title for the third time in a row in 2014, thanks to Esapekka Lappi/Janne Ferm (FIN/FIN) with the ŠKODA Fabia Super 2000. Before Lappi, the Finn Juho Hänninen (2012) and Jan Kopecký (2013) had won the European title with the ŠKODA Fabia Super 2000.

Between 2009 and 2014, ŠKODA Fabia Super 2000 drivers won nearly 50 national and international titles.
