ŠKODA KODIAQ motor show premiere in pictures

- › ŠKODA KODIAQ has motor show debut in Paris in front of international trade press
- › Large SUV convinces by a design that is full of character, extraordinary interior space, practical intelligence and innovative technology
- › The press kit and wide range of photos is now available to download

Mladá Boleslav/Paris, 29 September 2016 – Showtime for the new ŠKODA KODIAQ in Paris: The Czech carmaker's first large SUV was presented to the general public by ŠKODA CEO Bernhard Maier today for the first time at the Paris Motor Show.

ŠKODA's latest model will present itself starting in February 2017 with all of the brand's strengths: a design that is full of character, extraordinary interior space, practical intelligence and innovative technology that can otherwise only be found in higher vehicle classes.

The press kit for the ŠKODA KODIAQ with wide range of photos of the motor show premiere in Paris is available to download at <https://www.skoda-storyboard.com/>.
