## Winning Rally Argentina Pontus Tidemand/Jonas Andersson take outright lead in WRC 2 with their ŠKODA FABIA R5

- › Pontus Tidemand/Jonas Andersson (ŠKODA FABIA R5) scored a dominant WRC 2 win at Rally Argentina with a “Simply Clever” drive
- › ŠKODA FABIA R5 proved again unbeatable and rock solid on tough roads
- › Swedish pairing marked 12 fastest times in WRC 2 on 18 special stages
- › ŠKODA Motorsport boss Michal Hrabánek: “Pontus did a clever and smart drive and was never in danger.”
- › WRC 2 category: ŠKODA achieved eighth victory in a row since Rally of Spain 2016

Villa Carlos Paz/Argentina, 30 April 2017 – Pontus Tidemand and co-driver Jonas Andersson (SWE/SWE) not only celebrated their third WRC 2 win in 2017 with their ŠKODA FABIA R5, they also took over the outright lead in World Rally Championship category WRC 2. On the last two legs of the event nobody was able to follow the speed of the Swedish pairing. At the finish line in Villa Carlos Paz in the west of Cordoba, Tidemand/Andersson celebrated the win with a huge margin of more than ten minutes ahead of private ŠKODA team Juan Carlos Alonso/Matias Alejandro Mercadal. Since Rally of Spain in 2016 the ŠKODA factory teams is now unbeaten for the eighth time in a row.

On Saturday morning, Pontus Tidemand and Jonas Andersson had a “big moment”. In a huge watersplash a hidden stone bent the protection plate of the rear differential. From there on Tidemand had to finish the stage in a very careful style. He also had to proceed through two more stages before the car could be attended to by mechanics in the service area. The ŠKODA FABIA R5 proved itself rock solid and Tidemand reached the service without notable time loss.

From then on Tidemand drove with a controlled speed, while his competitors struggled with all kind of problems. The Swedish pairing finished with more than nine minutes in front of their closest rivals Alonso/Mercadal (ARG/ARG) after the Saturday leg of the Rally.

On a sunny Sunday morning, three more stages in the south west of Cordoba were waiting for the competitors, including the famous El Condor-Copina stage. One driver characterized this particular stage “like driving on the moon”. Nearly no vegetation, a small and winding gravel path between rocks as big as houses and hundred thousands of enthusiastic spectators along the road make up for an unique background in the world of rallying.

“A smooth morning, no drama or mistakes. We are here and I am so happy about this. Now we must keep focussed to avoid any stupid mistakes”, Tidemand said after the first El Condor run. He followed his plan and brought the car to an outstanding victory back to Villa Carlos Paz. The Argentinian duo Juan Carlos Alonso/Matias Alejandro Mercadal, running a private entered ŠKODA FABIA R5, finished on second place in the WRC 2 category.

In total, ten of the 2016 season's races in the World Rally Championship were won by a ŠKODA FABIA R5. ŠKODA drivers Gustavo Saba (PRY) and Gaurav Gill (IND) also won the continental championships in South America and the Asia-Pacific region at the wheel of the successful ŠKODA FABIA R5. Nasser Al-Attiyah (QAT) was unbeatable in the Middle East Rally Championship (MERC), while a further ten national titles also went the way of ŠKODA drivers.

The ŠKODA FABIA R5, a high-tech 4x4, was homologated by the International Automobile Federation FIA on 1 April 2015. ŠKODA's new FABIA R5 is successfully continuing the long tradition of ŠKODA Motorsport. Its predecessor, the FABIA SUPER 2000, won 50 national and international titles around the world. In 2017, works duos Pontus Tidemand/Jonas Andersson (SWE/SWE) and Jan Kopecký/Pavel Dresler (CZE/CZE) will contest selected races in the FIA World Rally Championship (WRC 2).
