

NEW

# ŠKODA CITIGO<sup>e</sup> iV

## SELECTED SAFETY FEATURES

### DRIVER ASSISTANCE SYSTEMS

#### ELECTROMECHANICAL BRAKE BOOSTER **NEW**

Assists when braking by allowing the pressure in the braking system to be increased faster and more accurately than when using a vacuum servo, thereby reducing the braking distance, whilst also charging the high-voltage battery through regenerative braking

#### LANE ASSIST **NEW**

Recognises white lane markings and adjusts the steering if the car appears to be drifting out of lane, guiding it back

#### ELECTRONIC STABILITY SYSTEMS

ABS, MSR, EDL, ASR, ESC

#### FLASHING BRAKE LIGHTS during heavy braking

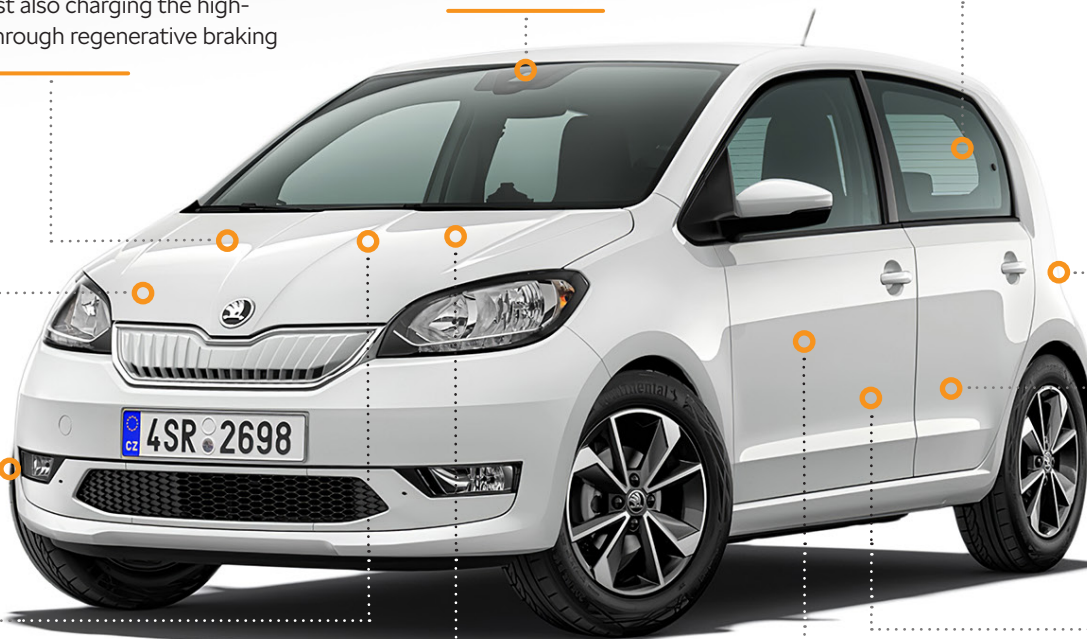

#### CRUISE CONTROL

#### HILL-HOLD CONTROL

### OTHER SAFETY FEATURES

#### FRONTAL AIRBAGS FOR THE DRIVER AND FRONT PASSENGER FRONT PASSENGER AIRBAG DEACTIVATION

#### CURTAIN AIRBAGS FRONT SIDE AIRBAGS

#### FRONT AND REAR THREE-POINT SEAT BELTS

#### DRIVER SEAT BELT WARNING REAR SEAT BELT WARNING **NEW**

#### ISOFIX ANCHORS FOR CHILD SEATS

**Occupant protection  
as the top priority  
for a small city car**
