

# Škoda Roadiaq

## Interior

Mobile office with state-of-the-art technology:

- ▶ Internet connection
- ▶ 27" screen with docking station, tablet
- ▶ Sockets, wireless keyboard & mouse

Modifications enabling use as a mobile-office camper

Camping equipment, cooker, pots and pans, shower, 12 V coffee machine, survival kit ...

### Full focus on sustainability

The cushion covers and blanket (camping pack) were made using a special 3D knit technology (waste-free method)

Textile fabrics made from recycled materials (seats, door trims, pillars)
