

Škoda Enyaq L&K: Most elegant trim line with exclusive touches and extensive equipment

- › **Platinum Grey detailing on the aprons, diffuser and door mirror caps**
- › **LED Matrix beam headlights, chrome grille with Crystal Face and exclusive 20-inch alloy wheels as standard**
- › **Specific L&K Design Selection with leather upholstery in Black or Shell, heated and ventilated seats with massage function and head-up display with Augmented Reality**

Mladá Boleslav, 4 December 2023 – The Škoda Enyaq and the Enyaq Coupé can now also be ordered with the elegant new L&K trim line, available in combination with the 85 and 85x powertrain versions delivering an output of 210 kW*. Their exclusive exterior features Platinum Grey detailing and 20-inch Asterion alloy wheels as standard; 21-inch Aquarius wheels are available on request. The L&K Design Selection is available in Black or Shell. Standard features include heated and ventilated leather seats with massage function, a head-up display with Augmented Reality and a Canton sound system.

Platinum Grey detailing exclusive to the range-toppers

The Enyaq L&K models come with a special bumper, diffuser and door mirror design featuring exclusive Platinum Grey detailing. The roof rails are finished in Silver. The window frames have a chrome look, as do the trim strips on the front and rear aprons, both painted in the same colour as the side skirts. The Škoda grille comes with a chrome frame and a Crystal Face illuminated by 131 LEDs as standard. Also included as standard are LED Matrix beam headlights and LED rear lights with animated indicators and animated Coming/Leaving Home function. The rear side windows and rear window are tinted ("SunSet"). Exclusive to L&K are the 20-inch Asterion alloy wheels, while 21-inch Aquarius wheels, also in Anthracite, are available as an option. The front wings feature L&K badges.

L&K Design Selection in Black or Shell and ventilated leather seats with massage function

The L&K Design Selection is available in Shell and Black with beige or black leather upholstery and matching trim strips finished in Brushed Beige or Piano Black. Exclusive to the Enyaq family's L&K versions are electrically adjustable front seats offering perforated seat surfaces, piping and contrast stitching, along with ventilation and massage functions to be selected in the infotainment menu. The front seats and outer rear seats are heated. The heated multifunction steering wheel features an L&K badge while the pedals have a stainless steel finish. The L&K models' extensive standard equipment also includes

a head-up display with Augmented Reality, electric tailgate operation including a Virtual Pedal and a Canton sound system with twelve speakers.

* The maximum power is determined in accordance with UN-GTR.21. The maximum power is available when the high-voltage battery is at its highest possible state of charge (SoC) and operating within its optimal temperature range. The power available varies according to the driving scenario and is influenced by factors including the battery's temperature, its SoC, and the physical ageing of the high-voltage battery.
